## Still Going Strong!

### Peacemakers Reaching Out to the Helpless and Hopeless Since 1994

2018 has been another fruitful year of touching lives in the inner city of Detroit! We are extremely thankful for each and every one of our supporters...without your backing, we would not be able to carry on as we have since the mid 90's. Because of your help, we are able to stay focused on what we do best: reaching out with the love of Jesus to the outcasts and rejected of society. Heaven is watching and only God knows the ultimate far reaching effect of every seed sown. Through some of our events, it is a one-time shot that we encounter a person and give them the gospel of Jesus Christ. For others we are able to invest into their lives long term and do our part to "make them into a disciple of Jesus Christ." God has given every one of us something to

steward for Him while we are here on this earth. We are very serious about fulfilling the Lords calling upon our lives. We are all in this together! Maybe you aren't called to be "boots on the ground" in the inner city of Detroit, like we are.

But when you give to this ministry out of obedience to the Lord, you will surely take part in the eternal basket of fruit which is being gathered even now. Thank you so much for doing your part in supporting this ministry which is truly reaching out to "the least of these."

## Bocephus Cowell, A New Creature in Christ!

Bocephus Cowell is one of the wonderful men in our Jesus House program who is doing great and moving forward in his walk with Christ! Here is what "Bo" would like to share with you all: "In February of this year, I was living in my car in the middle of winter in Flint, Michigan. Off and on finding places to stay but mostly a year of living completely lost and alone in a car, drinking, hiding and trying to just survive alone on my own. On February 17th, I made a phone call and was offered a place to stay at the Jesus House in Detroit. I came the next day and since then I've learned the love of Christ, and found a closer relationship with my family and made some amazing friends. I can't thank Peacemakers International enough for what they have done for me! They showed me how to grow closer to God and what it means to be a true Christian. I've been saved and washed from my sins and couldn't tell you the joy I've had since I've been here. So foremost I want to thank God for changing my life and showing me the way!"

## Jesus House Men's Discipleship Program

Most of the men who have come to the Jesus House were struggling with life controlling addictions. This men's discipleship program is a caring environment where a man can move in, become built up in His relationship with Jesus, and then move forward productively with his life. These men are surrounded with daily Christian fellowship, physical work during the day, and services/Bible studies in the evenings. We believe that it is very important to walk closely alongside these men on their new journey in Christ! At the present time we have 14 men residing at the Jesus House. Out of those 14 men, 9 have successfully completed 6 or more months in the program. Out of that 9, most are now employed, with the others taking staff positions in the ministry. We are currently searching for a facility which will be used to re-open our Mercy House, which is the women's program that we had from 2003-2011.

Don't forget to come down to Peacemakers and pick up some brand new GOD in the 313 apparel for the winter! We have several different jackets and hoodies to help keep you warm in style! You'll also be able to check out our large variety of t-shirts, tank tops, and decals for your car as well!
