## One On One Mentoring

We believe that one of the most important aspects of ministry takes place when a more seasoned Christian comes alongside a newer believer, and walks forward with them in their new walk with Christ. We heavily promote this idea in our ministry, as it is so vital for all the newly saved people in our midst. One event we created to help facilitate this process is our "Men's Fellowship Night" which takes place every 2nd Saturday at 6 p.m. We need more men to walk alongside men, and women for women. Pray about coming around any Peacemakers events for this purpose!

## It Has Been A Good, Busy Summer!!

### A Peacemakers Update From Jeremiah Upshur

We have been having a great time at Peacemakers this summer! This time of the year brings us to the height of all our activities, as we stay very busy with outdoor outreaches and services, indoor events, and many projects on a day to day basis! We always want to take this time to express our heart felt appreciation to every one of you who supports Peacemakers on any level. One of our carpenters recently said on a Facebook Live video about the events at Peacemakers, "...everytime we have a service down here, somebody gets saved....2, 3, 4, or more. This is why we do what we do." One of the highlights of the summer is the fact that we are able to have our Sunday services right out on

the street, in the open. It's an amazing experience to see all the cars and motorcycles drive thru, and sometimes slowing down to listen for a moment, and to see what is happening. It's a great opportunity to impact more people in the public! We love praising the Lord out doors. When people walk by with bottles of alcohol, we pause to give them a hug and tell them "Jesus loves you." Thanks again for all your support, you are helping to make this wheel go round! Team work makes the dream work!

## Congratulations Bill And Tim Corbet On 8 Successful Months In The Jesus House!

Around 8 months ago, this pair of brothers made their way into our Jesus House men's discipleship program! They have both come a long ways since then. When asked about his journey in the Jesus House, Bill said "I have improved 100% by being here. It has been the best decision that my brother and I made, by coming here. By being here it has gotten me to understand the Bible completely, with no hesitation. I know much

more now about the Bible, then I did before." Tim's response was "I feel that the ministry has done me good, and its done everyone else good in the Jesus House. We have a great bunch of guys living there, and we all seem to get along. We work hard together. We have our fun also. I like the Bible Study in the morning, its been getting me closer to God."

Congratulations Bill and Tim, keep up the good work!

## You Can Take A Missions Trip To Detroit, Michigan!

One of the big highlights of the summer is that we host various missions teams who travel to us from all parts of the country! We have developed our facilities to the point to where we can accommodate up to 50 people at a time. This has proven to be a great opportunity for church groups who want to come and serve with their hands, hearts, and resources. One such recent group with us is called "Awake America 365" who came here from Florida! What an excellent time we had with them, as they focused primarily on evangelism right out on the streets of Detroit. At the time of this writing we are hosting a group from Bauer Christian Reformed Church in Hudsonville, MI! These great people are accomplishing some terrific work projects at Peacemakers, such as rebuilding the stage in our outreach area. Many hands make for light work, great things are accomplished when the body of Christ comes together!

*"Let your light so shine before men, that they may see your good works, and glorify your Father Who is in heaven."*
