Year End Giving

As we are entering the holiday season and moving towards the end of 2019, we would like to ask you to prayerfully consider Peacemakers to be part of any year end giving that you are desiring to do! The fact that you have this newsletter means that you have likely given to Peacemakers before, and for that we want say THANK YOU!

Financially, this ministry survives one way: through personal friends we have out there like you. All donations made to Peacemakers are tax deductible, and people can designate their giving to certain areas of ministry if they wish I.E. Jesus House, Mercy House, Outreach, etc.

Outreach and Discipleship!

Let's Not Underestimate The Power Of One Seed Sown

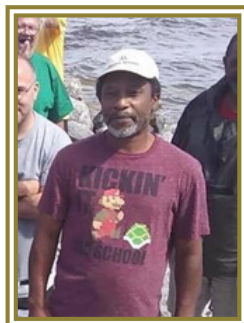

Since its inception in 1994, Peacemakers International has been known mostly for its consistency of "Outreach and Discipleship", particularly unto the least of these. It should be no surprise, as the beginning of our vision statement says that we were birthed "to give hope to the hopeless, help to the helpless, demonstrating the love of God to the outcasts and rejected of society." We focus on planting seeds. We sow these seeds over and over, especially through various outreaches sharing the gospel with those who don't know Christ. We also do this through the personalized ongoing care that we are able to provide in discipling men in our Jesus House, and soon to be again in our women's Mercy House. Seeds have a way of coming up!

Every once in a while, somebody that we haven't seen in 5 or 10 years walks onto our premises as a changed person. We may not even recognize them at first, as the former person we were ministering to was ravaged by the affects of an addicted, sin-filled lifestyle. But this person is now returning to share the good news of how the Lord has changed their lives, and they are thanking us for not giving up on them, and for the role we played in helping them in their time of need.

Congratulations Albert Sherrod For Completing The 1 Year Program At The Jesus House!

Albert Sherrod has recently completed his one year in the Jesus House! It has been a great blessing to get to know Albert. Here is his testimony: "I am thankful for Peacemakers International and all who have sowed precious seeds of God into my life. A little over a year ago I found myself homeless and despondent, not knowing what I should do. So I attended one of the Men's Fellowships that takes place at

Peacemakers on the 2nd Saturday evening of each month. That night I witnessed God change my heart. After the fellowship I reached out to Pastor Steve, and he allowed me to come into the Jesus House. I am thankful for the body of Christ here in the Jesus House. I am thankful for my brothers who help to encourage me and pray for me. Now I understand why God has brought me to Peacemakers International. That is, how to be instructed in how to win souls for Christ. I just want to thank you Pastor Steve, Miss Elaine, and Jeremiah for giving me the opportunity through the grace of God, to win souls with the love of God."

It's Time To Re-Open

The Mercy House!

From 2003-2011, we had a functioning women's home called the Mercy House. The Mercy House was a place for battered, abused, and addicted women to find safe refuge in. These women would attend Bible studies, church services, and receive plenty of one on one Christian care. In 2011 the women who were there went back to work, found apartments to stay in, and suddenly the house was empty...and so the "Mercy House" as a program for women went into hibernation. Fast forward to 2019 and there is a lot of interest in getting the Mercy House back up and running. The main thing at the moment is that we are working on finding the right location to have the women's program. The idea of building a new house is presently being evaluated by our board. We have recently had a couple small fundraisers to raise funds and awareness about our idea for the Mercy House. If you are on Facebook and would like to directly be in the loop for current discussions, fundraisers, etc, please join the FB group called "Peacemakers Mercy House". If you are not on FB, feel free to contact Jeremiah Upshur at upshurjeremiah@yahoo.com or 586-801-2309.

"Well Done, Good And Faithful Servant!"

Our beloved brother Guy VanRyckeghem went home to be with the Lord on September 30, 2019. He had faithfully served at Peacemakers for the last 6 years as our Soundman and with Outreach Communications. Guy was very kind and encouraging, he was loved by many. He had a great desire to see that souls were won for Jesus and this is the main reason he loved laboring with us at Peacemakers. We were very blessed to know you Guy, we'll see you soon!
