Peacemakers Prayer Garden

Calling all anointed botanists! Anointed green thumbs!

Anointed people who just want to help build something beautiful!

During our 8 night revival last year we believe that God gave a vision for a prayer garden at

Peacemakers. We have cleared the area and started the process, BUT WE NEED PEOPLE WHO KNOW HOW TO PLANT! This is the perfect opportunity for someone to use their gifts in this area to help build a beautiful area where people can come, pray, rest, and seek God. We need help determining what types of plants to use and also some help in a couple areas of design. If you feel moved to help, please contact Pastor Kenny Holland on Facebook (search kenroz Holland) and send a message!

Introducing To You...

Jeremiah and Nicole Upshur!

Together...two are better than one. One can put a thousand to flight, two can put ten thousand to flight. This threefold cord is not quickly broken - Jeremiah, Nicole, and Jesus! What an awesome combination....It is actually happening! Jeremiah, our son, has found his woman, his mate. Proverbs 18:22 "Whoso findeth a wife findeth a good thing, and obtaineth favour of the Lord." Room does not permit everything that needs to be said. But I can give a heartfelt thanksgiving to God from my wife and I, my family, and all the people that know Jeremiah! We are honored - extremely thankful - for this great announcement and the coming together of these two beautiful people. Space does not permit all the thoughts running through my mind. Jeremiah and Nicole; we all want to say "God bless you, you are amazing. We are all honored and extremely blessed to see what is happening in your lives! Thank you so much for both of your

hearts which are sincere in your walk with God. We pray God's best for you and we'll watch as the days progress to see with you what God has in store for you both. We bless you both in Jesus mighty name! Thank you for your life of service to the Father and everything that He will produce through you. May God's best be with you. Your future is bright, may the blessing of the Lord be upon you both. We all love you and with great anticipation we are going to watch and behold what the Lord will do! Glory to God - thank you again for heeding the call of God in both of your lives.

From Pastor Steve and Elaine - and the rest of the extended family.

We Would Like You To Meet Brother Essec, A Program Graduate And Jesus House Leader!

"I had become homeless in January of 2020, and I came to Peacemakers in February, 2020. I got tired of hitting roadblocks in my life and God has finally got my attention! Since coming into the Jesus house I have been on a mission discovering who I am, and what my purpose is in life. I have been seeking God's face and staying grounded in His Word. It hasn't been easy, around 4 months into the program I wanted to leave. However, God sent me a message through a dream

that helped me change my mind. 9 months into the program I started teaching the Word on some Thursday nights and I continue to do so. In February of 2021, 1 year into the program, I became the leader of the Jesus House. In July of 2020 I began taking general Bible classes online. I have now transitioned into taking classes to become a Pastor." That's awesome Essec....you are setting a great example for the rest of the men. Keep up the good work!

There's Room For Your Gift

There is no shortage of ministry opportunities at Peacemakers International. We sincerely feel a calling to reach out to the hurting, the forgotten, and anyone that needs Jesus. We can't do that alone. We recognize that the only way that God's church can truly prosper is when Jesus is in charge and not man. In addition to that, God's people must gather to be participants and not spectators. This requires the Kingdom saints to accept the responsibility of being a "Minister of Reconciliation" (2 Cor. 5:16-21). We want to help you recognize that you are saved for more than church attendance, but Kingdom activation; to become a soldier in God's army. We will continue to unite, equip, and encourage the body of Christ. With that being said: We are calling on all those who feel the stirring of the Holy Spirit to jump in and join the mission! The harvest is plentiful but the laborers are few (Luke 10:2). Let's pray the Lord sends laborers into the harvest and then realize that we are the answer to that prayer! You are important. Your gifts are needed. Let's help each other steward them faithfully.
