A Testimony From Nicole Upshur

Hello everyone! I wanted to share with you some of my story on how I came to know the Lord. I got saved at age 6, but spent most of my life living for myself. I became a slave to bad relationships, wanting to find value and worth from men where only God could provide. I was constantly let down, disappointed, and hurt by every relationship I was in. I always followed my feelings and was deceived for many years by my feelings. Several years ago God gave me Luke 1:45, and told me that one day I would have a family. I believed Him, but could not imagine that happening. I was in deep bondage in a relationship and I felt trapped and hopeless. My bad decisions and feelings had led me down this path. I knew I was in a relationship with a man that God did not want me to be with. For years I had been praying for God to free me from my situation. I was weak and cowardly and did not have the strength to do it. On

several different occasions God gave me a mustard seed of His courage and strength to break free from the situations I had gotten myself into. Over time He completely freed me from my chains. The emotional pain was excruciating for a time, but I let Him work in me and He healed my wounds. He has brought me to a place where He has fulfilled several of His promises to me, as undeserving as I am! I have married a loving and God fearing man and we have our first baby on the way! I work in ministry now and I get to do all of the things that I love to do for Him! I get to serve Jesus for a living, the One that does not let me down, heals me, and keeps His promises.

Highlighting Demetrius McDaniels - A Big Blessing To Us At Peacemakers!

We would like to recognize "Big D", who has faithfully served the Lord at Peacemakers for over 20 years now. His duties in our ministry include providing security, as well as helping with the bus ministry in the past. When asked about his experience at Peacemakers, Demetrius said that "Peacemakers has done a lot for me. I didn't know how to read, you all helped me with that. You gave me more chances than anyone else did. Nobody else ever took the time out to work with me

spiritually and mentally. Peacemakers gave me good life experiences working with the busses, vans, security, being a leader." Demetrius has also worked hard at establishing "Family Security Company LLC", and would like to help people in this way. He says that "it's not a business, it's a ministry." If you would like more info, please call Big D at 313-685-5335. Thank you Demetrius for all your help over the years, we pray the Lord gives you all the desires of your heart.
